Constance:

The forwarded message below came after meeting with the Georges and other dept. chairs this March. The department had just gone back and forth with the Grad Council for the previous year in getting our graduate faculty document approved. As I explained to them, it did not seem reasonable for us to revise again this year given (a) our recent revisions and (b) that we're going to be undergoing APR this coming year and I would suspect we'll make further changes to the document during that process.

They both agreed with this, and I wrote the email as a confirmation and copied Christa so CLA would have a record of it.

I'm attaching the policy approved by the grad school in 2009. Please let me know if you have questions about the document or our plans.

Best,
Charles
